2.2 The Council of The Corporation of the City of London enacted By-law E.-183-143 authorizing a Ranked Ballot Election for the offices of mayor and councillor for the City of London.

2.3 Section 42(3) of the Act requires that the City Clerk establish procedures and forms for the use of any alternative voting methods and provide a copy of the procedures and forms to each Candidate. The purpose of this document is to establish procedures for the use of a special Vote by Mail Ballot method that is consistent with the principles of the Act. It is noted that the City Clerk, in the role of Returning Officer, may need to vary from these prescribed rules from time to time, if necessary.
2.4 This alternative method of voting will be provided upon request to Voters so that they are not required to attend a Poll.

2.5 If it is necessary to amend any of these procedures, a copy of the amendment will be mailed, faxed, or emailed to each Candidate based on the preferred method of contact as indicated by the Candidate.

2.6 With respect to matters of policy and procedures for Vote Tabulator equipment and alternative voting methods, the City Clerk’s decision is final.

2.7 The special Vote by Mail Ballots will be tabulated in the same method as Ballots tabulated on Voting Day. See IN-POLL TABULATION PROCEDURES.

5.3.3 the maximum number of Candidates that can be ranked for each office.

5.4 For the office of school board trustee, single ovals will appear on the Ballot to the right of the Candidates’ names for marking the Ballot.

5.5 To the greatest extent practical, the Ballot design shall:

5.5.1 allow for tabulation of all rankings for mayor and councillor offices in a manner that identifies first round unofficial winners on Voting Day;

5.5.2 allow for tabulation of school board trustees, by-laws and questions in a manner that identifies unofficial winners on Voting Day;

5.5.3 clearly separate non-ranked voting portions of the 2018 Municipal Election on the same Ballot.

6.5 To protect the secrecy of the vote, Candidates/Scrutineers will be unable to examine Ballots or to object to Ballots or to the counting of votes in a Ballot as they are being fed into the Vote Tabulator by the Election Official as provided for in subsections 47(5)(e), 47(5)(f), 54(4), and 55(5) of the Act as modified by Schedule 2 of the Regulation.
