

THE LONDON PLAN

EXCITING. EXCEPTIONAL. CONNECTED.

CONSOLIDATED MAY 28, 2021
COUNCIL ADOPTED, JUNE 23, 2016
MINISTER APPROVED, DECEMBER 28, 2016

Policies subject to LPAT Appeal PL170100
(see separate table for policies subject to site specific appeal)

London
CANADA

TABLE OF CONTENTS

OUR CHALLENGE	1
Rethinking London	3
Planning for Change and Our Challenges Ahead	4
City Building for Economic Growth and Prosperity	8
Thinking Long Term – 2035	9
How to Use The London Plan	11
OUR STRATEGY	17
Values	18
Vision	19
Key Directions	19
Monitoring Program	27
OUR CITY	29
Planning for Growth and Change	30
Growth Forecasts	32
City Structure Plan	33
Secondary Plans	52
Urban Regeneration	52
Growth Servicing and Financing	54
CITY BUILDING POLICIES	57
CITY DESIGN	61
MOBILITY	73
FOREST CITY	89
PARKS AND RECREATION	97
PUBLIC FACILITIES AND SERVICES	107
CIVIC INFRASTRUCTURE	113
HOMELESSNESS PREVENTION AND HOUSING	127
CULTURALLY RICH AND DIVERSE CITY	133
CULTURAL HERITAGE	137
SMART CITY	149
FOOD SYSTEM	155

GREEN AND HEALTHY CITY	161
PLACE TYPE POLICIES	167
CITY-WIDE PLACE TYPES	170
GREEN SPACE	173
Our Vision for the Green Space Place Type	173
Role Within the City Structure	173
How will We Realize Our Vision?	174
Permitted Uses	175
Public Access	176
Land Acquisition	176
Site Alteration and Tree Cutting By-laws	177
Specific Policies for the Green Space Place Type	178
ENVIRONMENTAL REVIEW	181
Our Vision for the Environmental Review Place Type	181
Role Within the City Structure	181
How will We Realize Our Vision?	182
Permitted Uses	183
Planning and Development Applications	184
Site Alteration and Tree Cutting By-laws	185
URBAN PLACE TYPES	186
DOWNTOWN	191
Our Vision for the Downtown Place Type	191
Role Within the City Structure	191
How will We Realize Our Vision?	192
Permitted Uses	193
Intensity	194
Form	195
Downtown Protected Major Transit Station Area	196
Applications to Expand the Downtown Place Type	196
Planning and Development Applications	197
Specific Policies for the Downtown Place Type	197
TRANSIT VILLAGE	199
Our Vision for the Transit Village Place Type	199
Role Within the City Structure	199

How will We Realize Our Vision?	200
Permitted Uses	201
Intensity	202
Form	203
Transit Stations in Transit Villages	203
Transit Village Protected Major Transit Station Areas	204
Applications to Add New or Expand Existing Transit Village Place Types	204
Planning and Development Applications	204
Specific Policies for the Transit Village Place Type	205
RAPID TRANSIT AND URBAN CORRIDORS	211
Our Vision for the Rapid Transit and Urban Corridor Place Types	211
Role Within the City Structure	211
How will We Realize Our Vision?	212
Interpretation of Corridor Place Type Boundaries	213
General Use, Intensity and Form Policies for Rapid Transit and Urban Corridors	214
Specific-Segment Policies	218
Secondary Plans	222
Rapid Transit Corridor Protected Major Transit Station Areas	222
Applications to Expand the Corridor Place Type	223
Planning and Development Applications	223
Specific Policies for the Rapid Transit and Urban Corridor Place Types	223
SHOPPING AREA	229
Our Vision for the Shopping Area Place Type	229
Role Within the City Structure	229
How will We Realize Our Vision?	230
Permitted Uses	231
Intensity	232
Form	233
Applications to Add New or Expand Existing Shopping Area Place Types	234
Planning and Development Applications	234
Specific Policies for the Shopping Area Place Type	234
MAIN STREET	239
Our Vision for the Main Street Place Type	239
Role Within the City Structure	239
How will We Realize Our Vision?	240
Permitted Uses	241

Intensity	242
Form	242
Applications to Expand the Main Street Place Type	243
Planning and Development Applications	243
Specific Policies for the Main Street Place Type	243
NEIGHBOURHOODS	245
Our Vision for the Neighbourhoods Place Type	245
Role Within the City Structure	245
How will We Realize Our Vision?	246
Approach for Planning Neighbourhoods – Use, Intensity and Form	247
Residential Intensification in Neighbourhoods	256
Planning and Development Applications	261
Specific Policies for the Neighbourhoods Place Type	261
INSTITUTIONAL	289
Our Vision for the Institutional Place Type	289
Role Within the City Structure	289
How will We Realize Our Vision?	290
Permitted Uses	291
Intensity	292
Form	293
Applications to Add New or Expand Existing Institutional Place Types	293
Planning and Development Applications	294
Policies for Specific Uses	294
Specific Policies for the Institutional Place Type	299
INDUSTRIAL	301
Our Vision for the Industrial Place Types	301
Role Within the City Structure	301
How will We Realize Our Vision?	302
Permitted Uses	304
Intensity Policies for All Industrial Place Types	309
Form Policies for All Industrial Place Types	309
Green Industrial Development	310
Applications to Expand Industrial Place Types	310
Planning and Development Applications	311
Specific Policies for the Industrial Place Types	311

FUTURE GROWTH	317
Our Vision for the Future Growth Place Type	317
Role Within the City Structure	317
How will We Realize Our Vision?	318
Permitted Uses	319
Planning and Development Applications	320
Specific Policies for the Future Growth Place Types	321
RURAL PLACE TYPES	322
FARMLAND	325
Our Vision for the Farmland Place Type	325
Role Within the City Structure	325
How will We Realize Our Vision?	326
Permitted Uses	327
Intensity	332
Form	333
Agricultural Land Consent	334
Planning and Development Applications	336
Specific Policies for the Farmland Place Type	337
RURAL NEIGHBOURHOODS	339
Our Vision for the Rural Neighbourhoods Place Type	339
Role Within the City Structure	339
How will We Realize Our Vision?	340
Permitted Uses	341
Intensity	342
Form	343
Planning and Development Applications	344
Specific Policies for the Rural Neighbourhoods Place Type	345
WASTE MANAGEMENT RESOURCE RECOVERY AREA	347
Our Vision for the Waste Management Resource Recovery Area Place Type	347
Role Within the City Structure	347
How will We Realize Our Vision?	348
Location	348
Permitted Uses	349
Intensity	350
Form	350

Applications to Add or Expand the Waste Management Resource Recovery Area Place Type	350
Planning and Development Applications	351
Implementation of the Waste Management Resource Recovery Area Policy	351
Waste Management Resource Recovery Area Truck Route	351
Lot Creation	352
Surrounding Lands	352
Eco-Industrial Parks	352
Specific Policies for Waste Management Resource Recovery Area Place Type	353

ENVIRONMENTAL POLICIES **357**

NATURAL HERITAGE **361**

What is Natural Heritage?	361
Why is Natural Heritage Important to Our Future?	362
What are We Trying to Achieve?	362
How are We Going to Achieve This?	363
Components of the Natural Heritage System	364
Other Drainage Features	374
Permitted uses and activities	374
How will We Protect the Natural Heritage System?	376
Specific Policies for Natural Heritage	383

NATURAL AND HUMAN-MADE HAZARDS **385**

What are Natural and Human-made Hazards?	385
Why are Natural and Human-made Hazards Important to Our Future?	385
What are We Trying to Achieve?	386
How are We Going to Achieve This?	387

NATURAL RESOURCES **401**

What are Natural Resources?	401
Why are Natural Resources Important to Our Future?	401
What are We Trying to Achieve?	402
How are We Going to Achieve This?	403

SECONDARY PLANS **411**

Purpose of Secondary Plans	412
Where Secondary Plans May be Applied	412
Status of Secondary Plans	413
Background Studies	413

Secondary Plan Content	414
Public Participation and Secondary Plans	415
Relationship to Municipal Class Environmental Assessment Process	415
Secondary Plans Under Separate Cover	415
List of Secondary Plans	415

OUR TOOLS 417

Framework	418
Growth Management/Growth Financing	418
Planning and Development Applications	421
Complete Application and Pre-application Consultation Requirements	424
Public Engagement and Notice	428
Planning and Development Controls	431
Subdivision of Land	440
Guideline Documents	446
Community Improvement Plans	449
Specific Area Policies	451
Municipal By-laws	451
Acquisition and Disposition of Land	452
Acquisition of Lands for Streets and Other Mobility Infrastructure	452
Parkland Acquisition and Dedication	455
Noise, Vibration and Safety	457
Minimum Distance Separation	461
Maps	462
Official Plan Monitoring	463
Glossary of Terms	464

APPENDIX 1 - MAPS 473

Map 1 - Place Types	474
Map 2 - High Density Residential Overlay (From 1989 Official Plan)	475
Map 3 - Street Classifications	476
Map 4 - Active Mobility Network	477
Map 5 - Natural Heritage	478
Map 6 - Hazards and Natural Resources	479
Map 7 - Specific Policy Areas	480
Map 8 - Community Improvement Project Areas	482
Map 9 - Heritage Conservation Districts and Cultural Heritage Landscapes	483
Map 10 - Protected Major Transit Station Areas	484
