Requested Draft Plan of Subdivision

Consideration of a proposed draft plan of subdivision and zoning amendment to allow 168 single detached dwellings; four (4) medium density blocks for townhouses fronting a public street; three (3) park blocks; two (2) urban reserve blocks for review as part of future development applications; and two (2) future road blocks; all serviced by the extension of Frontier Avenue, Regiment Road, Raleigh Boulevard and four (4) new local streets.

Requested Zoning By-law Amendment

To change the zoning from a Urban Reserve (UR3) Zone to a New Site Specific Residential R2 (R2-3(_)); a Residential R4 (R4-4); an Open Space OS1, and an Urban Reserve UR3 Zones. Changes to the currently permitted land uses and development regulations are summarized below.

The Zoning By-law is available at <https://london.ca/by-laws/5111>.

Requested Zoning (Please refer to attached map)

Possible Amendment to Zoning By-law Z.-1 to change the zoning from an Urban Reserve UR3 Zone to:

Residential R2 (R2-3()) Zone (Lots 1-168) - to permit single detached dwellings on lots with a minimum lot area of 370 square metres with the following special provisions: Lot Frontage 11.0 metre (36 feet) (Minimum); Front Yard Setback, 3.0 metre (9.8 feet) Main Dwelling (Minimum); Front Yard Depth 5.5 metre (18.0 feet) for Garages (Minimum.); Interior Side Yard Depth (Minimum): 1.2 metre (3.9 feet), except where there is no attached garage, then 3.0 metre (9.8 feet) is required on one side; and Lot Coverage (%) (Maximum): 45 percent, except that any unenclosed porch shall not be included in the calculation of lot coverage.

Residential R4 (R4-4) Zone (Blocks 169-172) - to permit street townhouse dwellings on lots where each unit has a minimum lot area of 180 square metres and a minimum frontage of 5.5 metres;

Open Space OS1 Zone (Blocks 173-175) - to permit such uses as conservation lands, conservation works, golf courses, public and private parks, recreational buildings associated with conservation lands and public parks, campgrounds, and managed forests; and

Urban Reserve UR3 Zone (Blocks 176-177) - to continue to permit existing uses, limited agricultural uses, conservation lands, managed woodlots, wayside pits, passive recreation use, farm gate sales, kennels, private outdoor recreation clubs, and riding stables.

The City may also consider the use of holding provisions in the zoning to ensure: adequate provision of municipal services, that a subdivision agreement or development agreement is entered into, completion of noise assessment reports and implementation of mitigation measures for development in proximity to arterial roads, and that the development is consistent with the design policies of the Southwest Area Secondary Plan.

Planning Policies

Any change to the Zoning By-law must conform to the policies of the Official Plan, London's long-range planning document. These lands are currently designated as Low Density Residential, Multi-Family, Medium Density Residential and Open Space in the 1989 Official Plan, which permits a range of residential uses from single detached dwellings up to low-rise apartment buildings, while the Open Space designation is applied to lands which are to be maintained as park space or in a natural state subject to further review.

The subject lands are in the Neighbourhood Place Type in The London Plan, permitting a range of residential uses which includes single detached, semi-detached, duplex, converted dwellings, townhouses, secondary suites, home occupations, and group homes.
