City of London - Ontario Works (OW)

The Ontario Works Program purpose is to make social assistance clients more employable and to actively support their efforts to prepare for, secure and maintain employment. It also provides basic financial assistance. Ontario Works consists of two forms of assistance: Basic Financial Assistance and Employment Assistance.

Basic Financial Assistance includes assistance provided for the purpose of basic needs (i.e. food), shelter and a monthly drug card. In addition, participants may be eligible for: child care expenses; aid with medical, dental, vision, and special dietary expenses; City of London - OW - Discretionary Benefits; and Employment Assistance Expenses (i.e. bus pass) and start-up benefits.

Employment Assistance assists people to become and remain employed. It offers job search support, basic education and training, support for self-employment, substance abuse recovery programs and community employment participation.

PRIVATE FOUNDATIONS AND SERVICE CLUBS

Aviva Community Fund

Started in 2009, the Aviva Community Fund allows groups or individuals to propose community initiatives which could qualify for funding. Ideas are sorted by requested funding (up to \$25,000, \$25,000 - \$100,000, and \$100,000+) and posted on the website during the annual campaign. The public then vote to support various projects. The 30 most supported ideas in each funding category, after 2 rounds of voting, are then judged by a panel. The highest ranked ideas in each category will share the \$1,000,000 Aviva Community Fund. More than one idea per category may be funded.

President's Choice Children's Charity

This charity helps physically and developmentally challenged kids and their families with the financial assistance they need to help pay for expensive equipment, physical therapy and more. Requests for financial assistance require a letter that describes:

- Your child and his or her condition, date of birth, address and phone number
- The family situation
- funding amount needed (including 2 quotes for the needed equipment)
- How the funding will help
- A letter of diagnosis about the child's disability
- A letter from a secondary party (e.g. Social Worker, Occupational Therapist)
- Documentation confirming that family income is below \$60,000
- Any funds secured or being sought from other sources; or funds that the family is able to contribute

This information should be sent to the charity at the address provided. Please note that the charity currently has a waiting list of about four months. Faxed applications will not be accepted, please only send your application by mail.

Tara "Boom" Houston Children's Foundation

The Tara "Boom" Houston Children's foundation assists families living in South-western Ontario that are facing financial difficulties due to a child's life-threatening illness. The child must be 17 years of age or younger. The Foundation will provide financial assistance for:

- Travel expenses for medical treatment
- Accommodation expenses while the child is receiving treatment if the facility is 200 kilometres or farther of the family's home
- Treatment not funded by the Ontario Health Insurance Plan (OHIP) or by private insurance held by the family.
- Assistive devices or specialized equipment required as part of the treatment
- Funds to subsidize daily living expenses (mortgage, utilities, groceries) of the primary caregiver(s) should they become unable to work because of caring for their child as a result of their illness

WISH-GRANTING PROGRAMS

Children's Wish Foundation of Canada

The Children's Wish Foundation of Canada is a federally chartered, non-profit organization dedicated to fulfilling a favourite wish for children afflicted with a high risk, life-threatening illness. Arranging a trip to some far away destination, providing a customized computer for a child with special needs, tracking down a favourite celebrity, or simply finding exactly the right puppy, all are given equal care and consideration. Children are eligible from three years of age and over but under the age of 18 years before the time the request is received. They must be legal residents of Canada and have an illness, which is categorized as a high risk, life-threatening condition. Referrals can be made through a healthcare professional or family; but the wish must be communicated by the parents or legal guardians to the foundation directly. Contact the Ontario Chapter to refer a child. Referrals can also be made on the Children's Wish Foundation Website.

Starlight Children's Foundation Canada

Starlight Children's Foundation is an international non-profit organization dedicated to improving the quality of life for seriously ill children and their families. Working with more than 1000 hospitals, the Foundation provides both in-hospital and outpatient programs and services. The foundation addresses the needs of seriously ill children and their families through six core programs, some directed specifically to the hospital environment, others designed to support a child's eventual return to home and daily routine. Understanding that when a child is sick the whole family suffers, their programs always incorporate the entire family. For more information, call or email the foundation.

Sunshine Foundation of Canada

The Sunshine Foundation can fulfill individual dreams all year round for children living in Canada. To bring a dream to a child, the national office staff and volunteers must review a formal request. There are four criteria for eligibility. The child must:

- Be 3-19 years of age (not yet turned 20) and have at least the cognitive ability of a three year-old
- Have a severe physical disability or a life-threatening illness
- Be able to formulate his or her dream (this must be the dream of the child) and communicate the dream with or without technical assistance
- Have not already received a dream or wish from a similar organization (however may have participated on a Sunshine Dreamlift)

To refer a child, visit the foundation's website, email or call the toll-free number.

Canadian Hemophilia Society (CHS) – Mature Student Bursary Program

The purpose of the Mature Student Bursary program stems from recent changes in economic realities that have made many Canadians seriously look at new careers. Many persons with hemophilia or their spouses have had to leave their field of employment because of illness caused by either HIV, Hepatitis C (HCV), or the stress simply associated with living in a home that has been affected by the trauma of disease. But these changes often mean that further education is desirable or essential. With that in mind, the CHS has established a mature student bursary for those students, 30 years of age or older, returning to or beginning a course of studies at any post-secondary institution demonstrating a financial need.

CanLearn - Assistance Plan for Borrowers with Permanent Disabilities (RAP-PD)

Students with permanent disabilities who are having difficulty paying back their student loans are eligible for the Repayment Assistance Plan for Borrowers with Permanent Disabilities. RAP-PD makes debt repayment easier for students with permanent disabilities by allowing them to pay back what they can reasonable afford. Under RAP-PD: loan payments are based on family income, family size and disability related expenses; loan payments can not exceed 20% of their income (on loans covered by RAP-PD); and no student with a permanent disability should have a repayment period longer than 10 years.

Government of Canada Youth Employment Strategy – Skills Link

The Skills Link program is a component of the Government of Canada's Youth Employment Strategy (YES). Through funding of organizations, the Skills Link program helps youth overcome barriers to employment, develop a broad range of skills and knowledge in order to participate in the current and future labour market and to promote education and skills as being key to labour market participation. These barriers include, but are not limited to, challenges faced by recent immigrant youth, youth with disabilities, single parent youth, youth who have not completed high school, Indigenous youth, and youth living in rural or remote areas.

Ontario Chamber of Commerce - Abilities Connect Fund

The Abilities Connect Fund provides financial assistance to employers to create experiential learning employment opportunities for persons with a disability. Preference will be given to applicants that hire students/recent graduates with a disability. The Fund also helps to remove financial barriers associated with accommodating employees with disabilities in the workplace. The fund can cover:

- Up to \$20,000 for the employment (co-ops, internships, part-time, fulltime) of persons with a disability with preferences given to college/university students or recent graduates with disabilities; and
- Up to \$3,000 for the purchase of assistive devices, training, and assessments for ANY employee(s) with a disability.
