

2023 Infrastructure Project List

Last updated March 14, 2023. For the most recent road project information, please refer to the Renew London website.

Project Number	Project Description	WARD	Street	Project Lead	Length (metres)
1	Downtown Loop Phase 2	13	Queens Avenue from Richmond Street to Wellington Street	Major Projects	370
2	East London Link Phase 1	13, 14	King Street from Wellington Street to Waterloo Street	Major Projects	1500
3	Victoria Bridge Replacement	11, 13	Ridout Street from Horton Street to Ingleside Place	Transportation Planning & Design	280
4	Adelaide Street North - Canadian Pacific Grade Separation (CPR) "Adelaide Underpass" Year 2 of 3	4, 13	Adelaide Street from 80m North of McMahan Street to Elias Street & Central Avenue from William Street to Elizabeth Street	Transportation Planning & Design	950
5	Hastings Drive (Local Road Reconstruction Program)	5	Hastings Drive from Fanshawe Park Road East to Hastings Gate	Construction Administration	1200
6	Grosvenor Street (Local Road Reconstruction Program)	4	Regent Street from William Street to Maitland Street & William Street from Huron Street to Regent Street	Construction Administration	200
7	Hansuld Street and Dale Street (Infrastructure Renewal)	3	Hansuld Street from Second Street to Dale & Dale Street from Hansuld Street to Second Street	Water Engineering	470
8	Blakie Road (Road Extension)	14	Blakie Road from Meadowbrook Drive to Breck Avenue	Construction Administration	800
9	Kilworth Bridge Rehabilitation	9	Oxford Street West at West Limit of City	Transportation Planning & Design	200
10	Hume Street, Major Street and Saint Julien Street (Infrastructure Renewal Program)	1	Major Street from Hyla Street to Hume Street Hume Street from Trafalgar Street to Major Street Saint Julien Street from Trafalgar Street to Major Street	Sewer Engineering	550
11	East London Link Phase 2	4	King Street from Lyle Street to Ontario Street Ontario Street from King Street to Dundas Street Dundas Street from Ontario Street to Egerton Street	Major Projects	1125
12	Downtown Loop Phase 3	13	Wellington Street from York Street to Queens Avenue	Major Projects	430
13	Wellington Gateway Phase 1	13	Wellington Street from York Street to North of Thames River	Major Projects	970
14	Campbell Street North Strategic Link	9	Campbell Street Road into Lambeth Optimist Park from James Street to Winterberry Drive	Transportation Planning & Design	300
15	Quebec Street (Infrastructure Renewal Program)	4	Quebec Street from Oxford Street to CP Rail Tracks	Sewer Engineering	315
16	Paardeberg Crescent, Flanders Row and Rhine Avenue (Infrastructure Renewal Program)	4	Paardeberg Crescent from Rhine Avenue to Rhine Avenue Flanders Row from Wistow Street to Paardeberg Crescent Rhine Avenue from Flanders Row to Wistow Street	Sewer Engineering	1110
17	Southdale Road and Colonel Talbot Road (Intersection Improvement)	9, 10	Southdale Road and Colonel Talbot Road Intersection	Transportation Planning & Design	1400
18	Fanshawe Park Road and Richmond Street (Intersection Improvement)	5	Fanshawe Park Road West from North Center Road West to North Center Road East Richmond Street from North Center Road to Jacksaway Crescent	Transportation Planning & Design	1580
19	Lyle Street and Elizabeth Street (Infrastructure Renewal Program)	4	Lyle Street from King Street to Dundas Street Elizabeth Street from Dundas Street to Queens Avenue	Water Engineering	330
20	McKenzie Avenue, Baker Street, Windsor Avenue and Belgrave Avenue	11	McKenzie Avenue from Wortley Road to Belgrave Avenue Baker Street from Ridout Street to Belgrave Avenue Windsor Avenue from Ridout Street to Belgrave Avenue Belgrave Avenue from McKenzie Avenue to Baker Street	Sewer Engineering	1130
21	White Oak Road and Exeter Road (Intersection Improvement)	12	White Oak Road from Exeter Road to 400m South of Exeter Road	Transportation Planning & Design	400
22	Platts Lane (Infrastructure Renewal Program)	6	Platts Lane from Oxford Street to Cherryhill Place	Sewer Engineering	250
23	Mud Creek Phase 2	8, 13, 6	Construction will be from the CN Rail northerly across Proudfoot Lane to Oxford Street including a new culvert under Oxford Street West	Stormwater Engineering	800
24	Bradley Avenue Cycling	12	Bradley Avenue from Jalna Boulevard West to Wellington Road	Transportation Planning & Design	1600
25	Central Avenue Cycling	13	Central Avenue from Talbot Street to William Street	Transportation Planning & Design	1600
26	North Extension of Colborne Street Bike Lanes	6	Colborne Street from Oxford Street East to Cheapside Street	Transportation Planning & Design	700
27	Riverside Drive	13	Riverside Drive from Woodward Avenue to Wilson Avenue	Transportation Planning & Design	760
28	New Sidewalk Program	1, 3, 4, 6, 8, 11, 12	Cleveland Avenue from Burlington Street to Cairn Street Eden Avenue from Nixon Avenue to Verulam Street Regent Street from William Street to Adelaide Street Ashland Avenue from CN Rail Tracks to Wilton Avenue Royal York Road from Queen Mary Crescent to Hyde Park Road Base Line Road from West Street to Beachwood Avenue Vesta Road from Fuller Street to Hillcrest Avenue Hillcrest Avenue from Regal Drive to Highbury Avenue North	Transportation Planning & Design	2430
29	Regent Street and Fraser Avenue (Infrastructure Renewal Program)	6	Fraser Avenue from Regent Street to Huron Street Regent Street from Maitland Street to Colborne Street	Water Engineering	405
30	Foster Avenue (Infrastructure Renewal Program)	13	Foster Avenue from Edinburgh Street to Oxford Street West	Water Engineering	350
31	Bradley Avenue Extension	12	Bradley Avenue from Wharnclyffe Road to White Oak Road	Transportation Planning & Design	1500
32	Whitehall Drive (Infrastructure Renewal Program)	2	Whitehall Drive from Vancouver Street to Atkinson Boulevard	Water Engineering	500
33	Dingman Drive	12, 14	Dingman Drive from Wellington Road to Highway 401	Transportation Planning & Design	1600
34	Cheapside Street Bike Path (only paint)	6	Cheapside Street from Richmond Street to Adelaide Street	Transportation Planning & Design	1400
35	Arterial Road Rehabilitation Program, Contract #1	14	Pond Mills Road from Southdale Road East to Pond View Road	Transportation Planning & Design	475
36	Gower Street (Infrastructure Lifecycle Renewal Program)	6	Gower Street from Oxford Street to North End	Construction Administration	215
37	Elworthy Avenue West (Infrastructure Lifecycle Renewal Program)	11	Elworthy Avenue West from Edward Street to Base Line Road East	Construction Administration	295
38	Local Roads Reconstruction Program, Contract #1	5, 6, 7, 9, 14	Grangeover Place from Grangeover Avenue to end of street Melanie Court from Hastings Drive to end of street Jeffreybrook Close from Jeffreybrook Drive to end of street Jenedere Court from Avenue Road to end of street Wendy Crescent from Hastings Drive to Hastings Drive Wendy Lane from Wendy Crescent to Wendy Crescent Attawandaron Road from Aldersbrook Road to Aldersbrook Road Aldersbrook Road from Wonderland Road to Attawandaron Road Suffolk Place from Castlegrove Boulevard to end of street Orkney Place from Orkney Crescent to end of street Bainard Street from Main Street to Broadway Avenue Imperial Road from Grenfell Drive to Balcarres Road Balcarres Road from Esteven Road to Milestone Road Edgehill Road from Blackacres Boulevard to Edgehill Crescent Edgehill Crescent from Blackacres Boulevard (South leg) to Edgehill Road	Construction Administration	3733
39	Local Roads Reconstruction Program, Contract #2	14, 9	Enterprise Drive from Pond Mills Road to end of street Griffith Street from Byron Baseline Road to Boler Road	Construction Administration	2192
40	Local Roads Reconstruction Program, Contract #3	2, 7	Railton Avenue from Trafalgar Street to Marconi Boulevard Windermere Road from Corley Drive to Ryersie Road	Construction Administration	1800
41	Annual Cured in Place Pipe Sewer Lining Program	6, 13	Ann Street from Talbot Street to end of street Talbot Street from Ann Street to Oxford Street East Oxford Street East from Trafalgar Street to Marconi Boulevard	Sewer Engineering	585
42	Traffic Engineering (Existing locations to be rebuilt)	3, 4, 6, 7, 10, 11, 12, 13	Adelaide Street North and Huron Street Intersection & Cheapside Street and Richmond Street Intersection & Cheapside Street and Clarke Road Intersection & Viscount Road and Westmount Mall Entrance & Pall Mall Street and Richmond Street Intersection & Southdale Road and White Oak Road Intersection & Teepie Terrace and Wonderland Road Intersection & Village Green Avenue and Wonderland Road Intersection & McMaster Drive and Wonderland Road Intersection & Grosvenor Street and Richmond Street Intersection & Belmont Drive and Wharnclyffe Road Intersection & Horton Street and Talbot Street Intersection & Gainsborough Road and Aldersbrook Road Intersection & Oxford Street and Mornington Avenue Intersection & Springbank Drive and Wonderland Road Intersection & Oxford Street and Platts Lane Intersection & Platts Lane and CP Rail Intersection & Oxford Street and Richmond Road Intersection	Traffic Engineering	
43	Traffic Engineering (New intersections to be installed)	8, 11, 16	Southdale Road and South Wenige Drive Intersection & Oxford Street and Headley Drive (Installation of new Pedestrian crossing Signal) & Springbank Drive and Chessington Avenue (Installation of new Pedestrian crossing Signal)	Traffic Engineering	
44	Traffic Engineering (Streetlights)	3, 9	Wharnclyffe Road South from Exeter Road to Wonderland Road & Kostis Avenue	Traffic Engineering	
45	Annual Watermain Cleaning and Lining Program	3,4,5,6	Lyman Street from Cheapside Street to Rabb Street & Kenwood Crescent from Landor Street to Landor Street & Boulee Street from Cheapside Street to Victoria Drive & Victoria Street from Boulee Street to Linwood Street & Taylor Street from Ross Street to Grosvenor Street & Grosvenor Street from Gammage Street to Sterling Street & Preston Street from Huron Street to Hillcrest Avenue & Preston Street from Hillcrest Avenue to Honeysuckle Crescent & Sevilla Park from Taylor Street to end of street & Northbrae Drive from Kipps Lane to Monsarrat Avenue & Kenmore Place from Kipps Lane to Melsandra Avenue & Melsandra Avenue from Melsandra Court to Valleyview Avenue & Erindale Crescent from Glenora Drive to Glenora Drive & Lauderdale Avenue from Fremont Avenue to West End & North Vernon Avenue from Laudredale Avenue to Tennent Avenue	Water Engineering	4460
