**Who we are:**
- Information and Archive Management oversees the City’s records from creation through retention to disposition.
- It also administers the Municipal Freedom of Information and Protection of Privacy Act (“MFIPPA”), handling access to information requests and privacy related matters.
- It manages the documentation execution process for all formal documents.

**What we do:**
- The MFIPPA and Records Management programs contribute towards the efficiency, effectiveness and transparency of governance by maintaining appropriate records and documentation of governance decisions and providing a right to access information under the Act.
- It also ensures the privacy related matters are appropriately dealt with in accordance with legislation and best practice.

**Why we do it:**
- **Mandatory** - Documentation management, including responding to information requests, are required to be delivered by regulation or legislation (MFIPPA and Municipal Act).
