General Information
About the Seniors’ Satellites

Management & Supervision:

The Seniors’ Satellites were created by the City of London. City staff and volunteers manage and operate the satellites operation and their programs. Various community partners may offer supplementary programming or donate space.

Membership:

Membership to EACH Seniors Satellites is *$10.80 + HST ($12.20) per person for one location, or $30.30 +HST ($34.24) for ALL LOCATIONS*, per year! *2024 rate. Additional minimal fees per class may be charged for classes with a certified instructor (see program schedules at each satellite for more information). Membership to any satellite is open to anyone aged 55 & over, living in any area of the city. Memberships can be purchased online at www.london.ca, or at one of the City’s Customer Service Centres. For City services available evenings and Saturdays visit london.ca/hours. Pre-registration is required for all programs and can be done online at www.london.ca or by calling Customer Service at 519-661-5575.

Programs and Activities:

The programs we offer at the satellite locations mimic the ‘core’ programs available at Kiwanis and Hamilton Road Seniors’ Centre & Community Centres. Programs build on the concept of the Dimensions of Wellness, offering programs that support the physical, emotional, social, environmental, occupational, spiritual, and intellectual wellness of our members. Our satellite programs are all ‘drop-in’ in nature, and therefore it is unnecessary to stay for the duration of the programming time at your satellite location. Members must pre-register and pay for any individual program they wish to attend.

The fitness and yoga instructors are certified, and ensure that proper conditioning, stretching, form, posture, warm up and cool downs are followed, to guard against any unnecessary strain on the body, or injury.

Programs may be changed quarterly at the satellites, depending on participation levels and input of members, and availability of instructors.

Additional Information:

If you require additional information about our satellites, please visit our website at www.london.ca/senior-recreation, or contact Susan Stepien, Supervisor, City of London, by phone at 519-661-CITY, ext 4756, or by email at sstepien@london.ca.

Financial Assistance is Available for those that Qualify:

The City of London’s Play Your Way (PYW) Fund offers financial support to low-income Londoners and their families who want to access recreation programs and activities offered by the City of London. Once approved, funding can be accessed for the next 12 months, up to a maximum of $300 per person and can be used when purchasing any Seniors Satellite membership or program fee. For more information or details on how to apply, please visit london.ca/playyourway or contact our customer service team at 519-661-5575.
