### DETACH THE FIRST TWO PAGES AND RETAIN FOR FUTURE REFERENCE

1. This process pertains to a combined application for Official Plan and Zoning By-law Amendment.
2. There are different fees for each type of application (See Schedule APP-4 attached for a fee schedule).
3. Other related applications may be processed concurrently during this process.
4. Applicants may submit a separate justification report to address any of the questions within. In doing so, please ensure that the report identifies all of the questions herein, or use a combination of application form and justification report to ensure all required information is provided.
5. Once an application has been submitted, Planning and Development will not accept any revisions to applications or submission materials once the application is deemed complete. This standard requirement has been implemented to ensure that the planning process is completed within the **120-day statutory timeline**. If there are any major revisions to the application, such as increased height and density, the applicant will be directed to make a new application.

### STEPS IN THE PROCESS

**Step 1 Consult with City of London Planning Staff:** Applicants are required to meet with a City Planning and Development staff member prior to submitting an application. This is a formal meeting to be scheduled between the applicant and the City of London prior to filling out the application form.

**Step 2 Complete the application form:** Following your pre-application consultation (Step 1) you will be required to complete the required application form(s), include additional information identified during the pre-application consultation, and provide;

- A Cheque, made payable to the *Treasurer, City of London*, to cover the application fee (refer to Schedule APP-4) herein;
- A sketch plan, including information as outlined on page 5, subsection 10;
- Written authorizations, declarations and acknowledgements, with dated, original signatures, found at Sections 23-26.
- Additional information which may be helpful in assessing an application: To expedite the review process, you are strongly encouraged to submit photographs or other relevant documentation that will assist in evaluating your application. To avoid delays, please ensure that your application is complete, that all drawings are neat and legible and that all dimensions are accurate.

**Step 3 Submit complete application package:** This includes any information and material identified at the pre-application consultation meeting, completed application forms, required fees, authorization letter(if applicable), requested zoning amendment overlay (if applicable) and a site sketch.

Please be advised that in order to allow background documents and drawings, submitted in association with planning applications, to be posted on the City of London website for public viewing, we will require all submitted materials to be in an accessible format. Any materials that are not in an accessible format will result in an application being deemed incomplete per the Planning Act and in force London Plan policy 1612.

The accessible document requirements are outlined in the [Web Compliance Accessibility Guidelines](#) (WCAG) 2.0 AA Standards as required by the Accessibility for Ontarians with Disabilities Act (AODA) in the Information and Communications Standards of the Integrated Accessibility Standards Regulation (IASR).

For drawings, maps and information that are displayed visually, alternative text (alt-text) will be required to include a detailed description and provide context to ensure users of assistive technology can easily understand what the image is showing. For additional information on creating accessible Portable Document Format (PDF) files please refer to: <http://www.adobe.com/accessibility/products/acrobat/>.

<b>STEPS IN THE PROCESS</b>	
<b>Step 4</b>	<b>Complete application accepted:</b> The application is assessed for completeness and either accepted or returned to the applicant, requesting further information (back to step 3). If complete, the file is opened and timelines for processing are established. Once the application is accepted, all of the information that was submitted is open to review by the general public, including name, address, phone number, etc. – this is a public process.
<b>Step 5</b>	<b>Municipal Review:</b> Now that the application is complete a “Notice of Application” is published in a Thursday edition of <i>The Londoner</i> , and circulated to the required agencies, departments and nearby property Owners explaining the nature of the requested amendment(s), and inviting comment. The comments and opinions submitted on this matter, including the name and address of the respondent become part of the public record and may be viewed by the general public and published in the Report to Planning & Environment Committee and Council Agenda.
<b>Step 6</b>	<b>Report to the Planning &amp; Environment Committee:</b> Based on analysis of the application and the provided by the public, agencies and departments, the Planning Division comments prepares a report to Planning & Environment Committee summarizing their findings.
<b>Step 7</b>	<b>Public Meeting Notice:</b> A Public Meeting is then scheduled and a “Public Meeting Notice” specifying the date, time and location of the meeting is again published in <i>The Londoner</i> and circulated to nearby property Owners and anyone who requested notification during the review period. Copies of the report are made available to the public the Wednesday prior to the Planning & Environment Committee meeting.
<b>Step 8</b>	<b>Planning &amp; Environment Committee &amp; Public Meeting:</b> The Public Meeting is held before the Planning & Environment Committee, as advertised. This is the opportunity for the Owner/applicant/agent to make representation regarding the application to Planning & Environment Committee and the public. As well, any member of the public may appear before the Committee to comment on the application. Please be advised that if a person or public body does not make oral or written submissions at the public meeting, or make written submissions to the City of London, before the proposed amendment(s) are adopted, the person or public body is not entitled to appeal the decision of the Council of the City of London to the Ontario Municipal Board, nor will they be added as a party to the hearing of an appeal.  Following this meeting a recommendation regarding the application is made to City Council.
<b>Step 9</b>	<b>City Council Meeting:</b> The Council of the City of London meets on alternate Mondays throughout the year. Municipal Council is the decision making authority with regard to Zoning By-law amendment applications, having regard for the recommendation presented by the Planning & Environment Committee (in Step 8). The Owner/applicant/agent and members of the public are welcome to attend Council, but are not permitted to participate in the deliberation.
<b>Step 10</b>	<b>Decision of Council:</b> Following the Council meeting (within 15 days), a resolution is drafted which describes the decision and intention of Council regarding the subject application:  - If the By-law was passed, a notice is sent to the Owner/applicant/agent and property Owners within 120m of the subject lands advising them of the passing (“adoption”) of the Amendment.  - Where an amendment is refused, the Owner/applicant/agent and anyone who made written request to the City Clerk for notice are informed of the decision. (See Step 11)  - Where an application is referred back to staff, the Owner/applicant/agent should contact the Planner on file to discuss the options and opportunities going forward, and for clarification of the referral.
<b>Step 11</b>	<b>Appeal Period:</b> Following the decision of Council, an appeal may be filed with the Clerk of the municipality. Please see the <i>Planning Act</i> for updated appeal requirements.
