Application Details

Neighbourhood Plans Approach and Process

A Neighbourhood Plan is intended as a scoped alternative to a Secondary Plan, which establishes the fundamental requirements and coordinated planning approach for lands added to the Urban Growth Boundary. The purpose and effect of this amendment is to update The London Plan to coordinate the development of multiple properties through streamlined planning documents, under the Secondary Planning framework.

Amendments to The London Plan may include incorporation of a new Guideline Document for Neighbourhood Planning Process and Secondary Plans sub-policies to introduce concept of Neighbourhood Plans. Background studies required for Neighbourhood Plans under the Secondary Planning framework will be commensurate with the scope, land area and intent of the plan.

Complete application submission criteria will be provided as part of the Neighbourhood Plan Guideline Document, establishing fundamental requirements for new greenfield lands.

The London Plan is available at london.ca.
