Application Details

The subject lands are associated with a Draft Plan of Subdivision (39T-23505) that received draft approval on May 16, 2024. Minor adjustments were made to the boundary of the ecological buffer block during the detailed design approval process. These adjustments resulted in minor changes to the residential lot boundaries (Blocks 1 to 3 and Lots 4 to 28) backing on to the ecological buffer block (Block 68). The amendments to The London Plan and Zoning By-law were requested to reflect these adjustments.

No changes are being considered as part of this planning application to the draft plan of subdivision.

Requested Amendment to The London Plan

To amend Map 1 – Place Types of The London Plan to adjust the boundary between the Neighbourhoods Place Type and Open Space Place Type within the property.

Requested Zoning By-law Amendment

To adjust the zone boundary between the Open Space (OS5) Zone and Holding Residential R1 Special Provision (h-17*R1-3(26)) Zone. The City may also contemplate alternative zoning such as a different base zone, additional permitted uses, additional special provisions (i.e. height and/or density), and/or the use of holding provisions.

The London Plan and the Zoning By-law are available for review at london.ca.

At this time there are no other applications, under the Planning Act, R.S.O. 1990, c. P.13, as amended, pertaining to the subject lands.
