

Green Bin Collection

london.ca/greenbin

New Program

Small businesses are encouraged to participate in the City's curbside Green Bin program. Contact Service London to confirm eligibility and learn more about the program.

Starting January 1, 2027, additional City Green Bins can be purchased at City Hall or EnviroDepots.

Businesses can set out a maximum of five Green Bins, each no greater than 50 litres in capacity.

Use a paper liner or certified compostable liner. Look for these symbols when choosing compostable bags.

NO Plastic bags, plastic packaging or pet waste.

Tips to remember

- Do not overfill your Green Bin. Maximum weight is **20 kg (44 lbs)**.
- Do not set your kitchen container to the curb.
- Put only acceptable materials inside your Green Bin.
- Please remove packaging from food before placing into the Green Bin.
- No plastic or waxed containers, bags or wraps.
- Don't place food scraps in your garbage when they should go in your Green Bin. This will ensure they are collected sooner and help avoid odours.

Hazardous and Special Products (HSP)

london.ca/hsp

HSP is any waste that might be flammable, corrosive, toxic, or explosive and does not belong in regular garbage or recycling.

HSP examples:

- automotive fluids • batteries • cleaning fluids
- fats & oils • fluorescent bulbs & tubes
- paints & thinners • pesticides & fertilizers
- propane & other pressurized tanks

Businesses may dispose of small quantities of HSP at the Depot for no charge but must complete a Small Quantity Exemption form.

See london.ca/hsp for additional information.

HSP Depot: 3502 Manning Dr. London
(located at the W12A Landfill Site)

Hours: Open All Year

Monday to Friday 8 a.m. to 3:45 p.m.

Saturday 8 a.m. to 2:45 p.m.

CLOSED SUNDAYS & HOLIDAYS

TOXIC

ACID

FLAMMABLE

BIOHAZARD

Business Waste Collection Schedule

October 2026 - September 2027

Connect with us:

london.ca/wastemanagement

Garbage collection

The weekly garbage collection schedule remains in effect. The garbage collection schedule may be subject to change. Any updates, including timing and revised collection details, will be communicated once details have been finalized and the necessary approvals have been received.

Coming in 2027: New Business Recycling Drop-off at EnviroDepots

A new program is being developed to add a drop-off business recycling service at the City of London's EnviroDepots. More information about the program, including eligibility, materials accepted, locations, and the anticipated start date, will be shared at london.ca/recycle later in 2026.

Business Waste Collection Schedule

October 2026 - September 2027

ZONE **B**

Garbage Collection

london.ca/garbage

All garbage must be bagged for collection.

- Maximum weight for a bag is **20 kg (44 lbs)**.
- Maximum size is 125 L.
- Maximum 12 bags per collection.
- Loose items or open bags will not be collected.
- Garbage in cans will not be collected.
- All mirrors, glass, or sharp items must be sealed separately in cardboard and labeled 'caution sharps' for collection.

Collection Reminders

Place garbage or Green Bin to curb by 7 a.m. on collection day, but not before 6 p.m. the night before.

Scavengers and animals may rip open bags left out overnight, making them uncollectable. Setting out bags in the morning before 7 a.m. can prevent scavenging.

Please keep collectors safe by placing waste on level ground, within 1 metre of the curb and not on snowbanks.

Trade waste such as wooden pallets, discarded inventory, equipment and machine parts are not collectable at the curb.
